

FUNDING WITH CREDIT, DEBIT, OR WALLET ON MYTCSFUEL

How to Add Funds to Your TCS Card Using Credit, Debit, or Wallet on MyTCSFuel

1

Log in to <https://my.tcsfuel.com/>

2

Select **Credit, Debit & Wallet** under Payments in the menu or from the **Make a Payment** tile on the home screen.

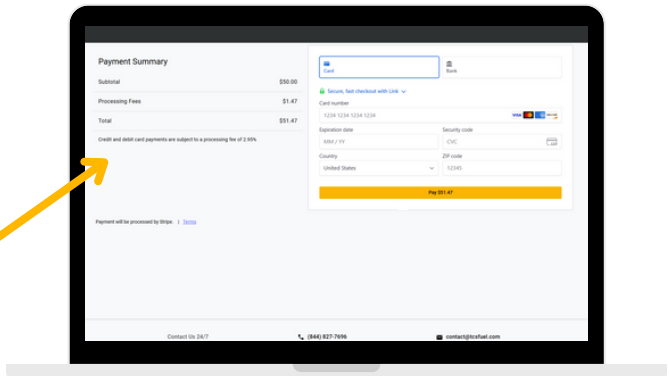

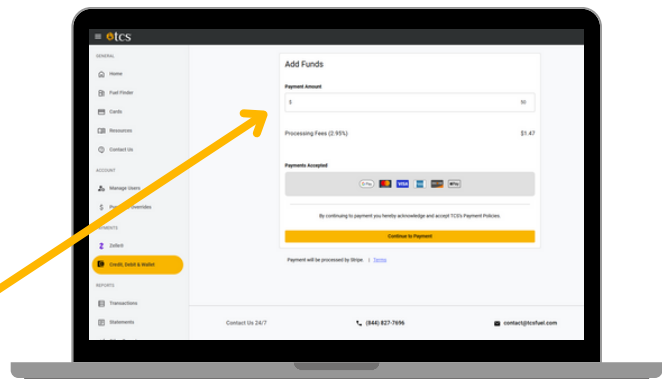

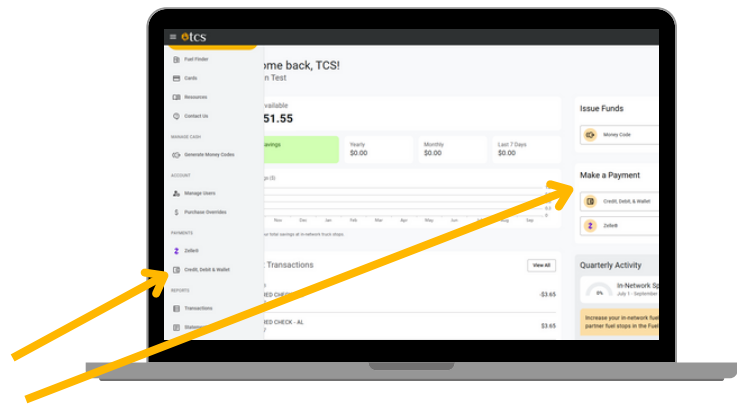

If you don't see this feature, please contact Client Services at 844-827-7696.

3

On the **Add Funds** screen, enter the dollar amount you'd like to add (minimum \$50, maximum \$50,000) and click **Continue to Payment**.

4

Review the details in the **Payment Summary** to ensure everything is correct.

5

Select a payment method to complete your payment:

- **Credit/Debit Card:** Enter your card details and click **Pay** to complete the payment.
- **Google Pay:** If available on your browser select **Google Play** and click **Pay**. Choose a card from your Google Wallet, then follow the prompts to complete your payment.
- **Apple Pay:** If available on your browser select **Apple Pay** and click **Pay**. Choose your card, then follow the prompts to complete your payment.
- **Link:** Click **Secure 1-click checkout with Link** at the top of the payment box. Enter the email linked to your Link account, verify the one-time code sent by text, and click **Pay** to complete the payment. To create a Link account, enter your email and phone number, add your card info, and complete the payment.

Once your payment is complete, a **Payment Successful** box will appear confirming that your funds are being added. Please allow up to 5 minutes for the funds to post to your account.
