

Initiate Zelle® Payment Requests directly from the TCS Mobile App! Just set up your Zelle® account details within the TCS Mobile App, request an amount, approve the payment with your bank, and you can begin fueling!

In case you need some help, here are step-by-step instructions.

Setting Up Your Zelle® Account

Select "Zelle®" in the "More" menu and click "Setup Zelle®".

Select "Yes" if you already have a Zelle® account and to agree to the terms.

Select "No" to learn more about setting up an account.

Next, fill out the Setup Form with your Account Holder Name, Zelle® Account Identifier (either a phone number or an email address), and Authorized Signature and click "Setup".

Initiating Payment Requests

- a. Select "Zelle®" under the "More" menu and click "Initiate Payment Request".
- b. Enter the amount you want to request
- c. Add additional details in the optional memo field
- d. Click "Initiate Payment Request"
- e. Go to your banking app/website to approve the request.

Approving Payment Requests

All Payment Requests must be approved in your banking app or on your bank's website.

Approving Initial Payment Requests:

- The setup process is NOT complete until the Payment Request is approved.
- Once you have approved the initial Payment Request, your Zelle® account identifier will then be linked to your TCS account to allow you to initiate Payment Requests from the TCS Mobile App within seconds.
