

Initiating Zelle® payments online using MyTCSFuel is a convenient way to fund your account. Get started by setting up your Zelle® Account Identifier with these straightforward steps and start funding your account with ease.

NOTE: Your Zelle® Account Identifier is a phone number or email address linked to Zelle through your bank. You can locate your Zelle Account Identifier through your bank's website or mobile app.

In the Zelle Payments box on the right side of the screen, click on "SETUP"

STEP 3

Read the terms of the blynk™ payment authorization and click the "AGREE" button.

STEP 4

Fill in the account holder name, your Zelle® Account Identifier (either a phone number or email address), electronically sign the form, and finally enter the amount of your first Zelle® payment. Then click the "Submit" button.

Go to the Zelle® section of your banking app and find the Payment Request from TCS within the Activity section. After you accept the Payment Request your set up will be complete and any payments you send via Zelle® will be received within 30 minutes and auto apply to your account.

You're all set! If you did not receive a Zelle® Payment Request or need additional assistance, please call TCS at 844-827-7696.
